

Katy has been going to [SCHOOL NAME] for a long time. She likes it here!

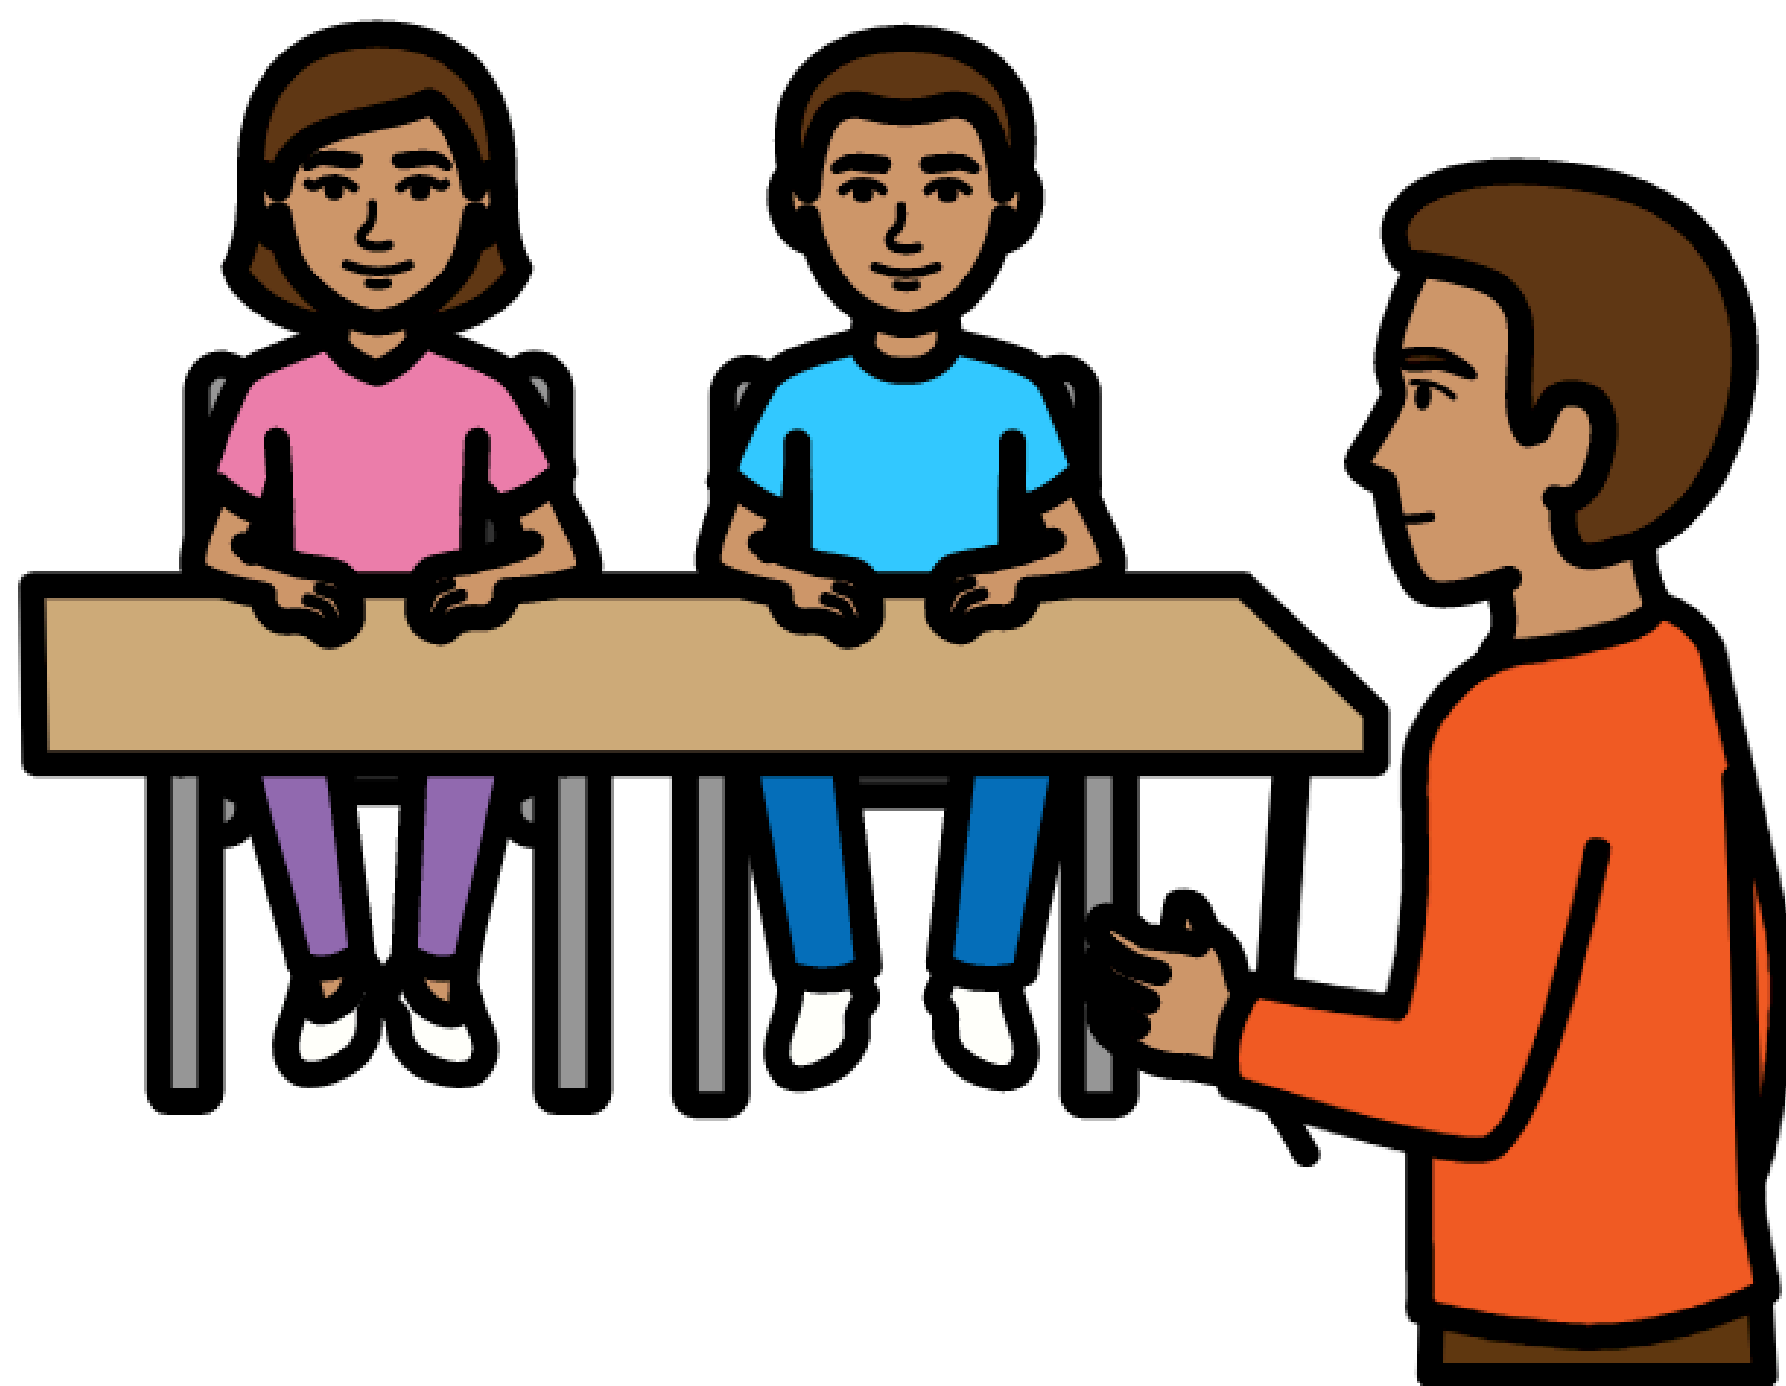

Next year, Katy will say goodbye to [SCHOOL NAME], and go to a new school.

Katy is scared about leaving [SCHOOL NAME], because she likes her teachers, and knows her taxi driver really well.

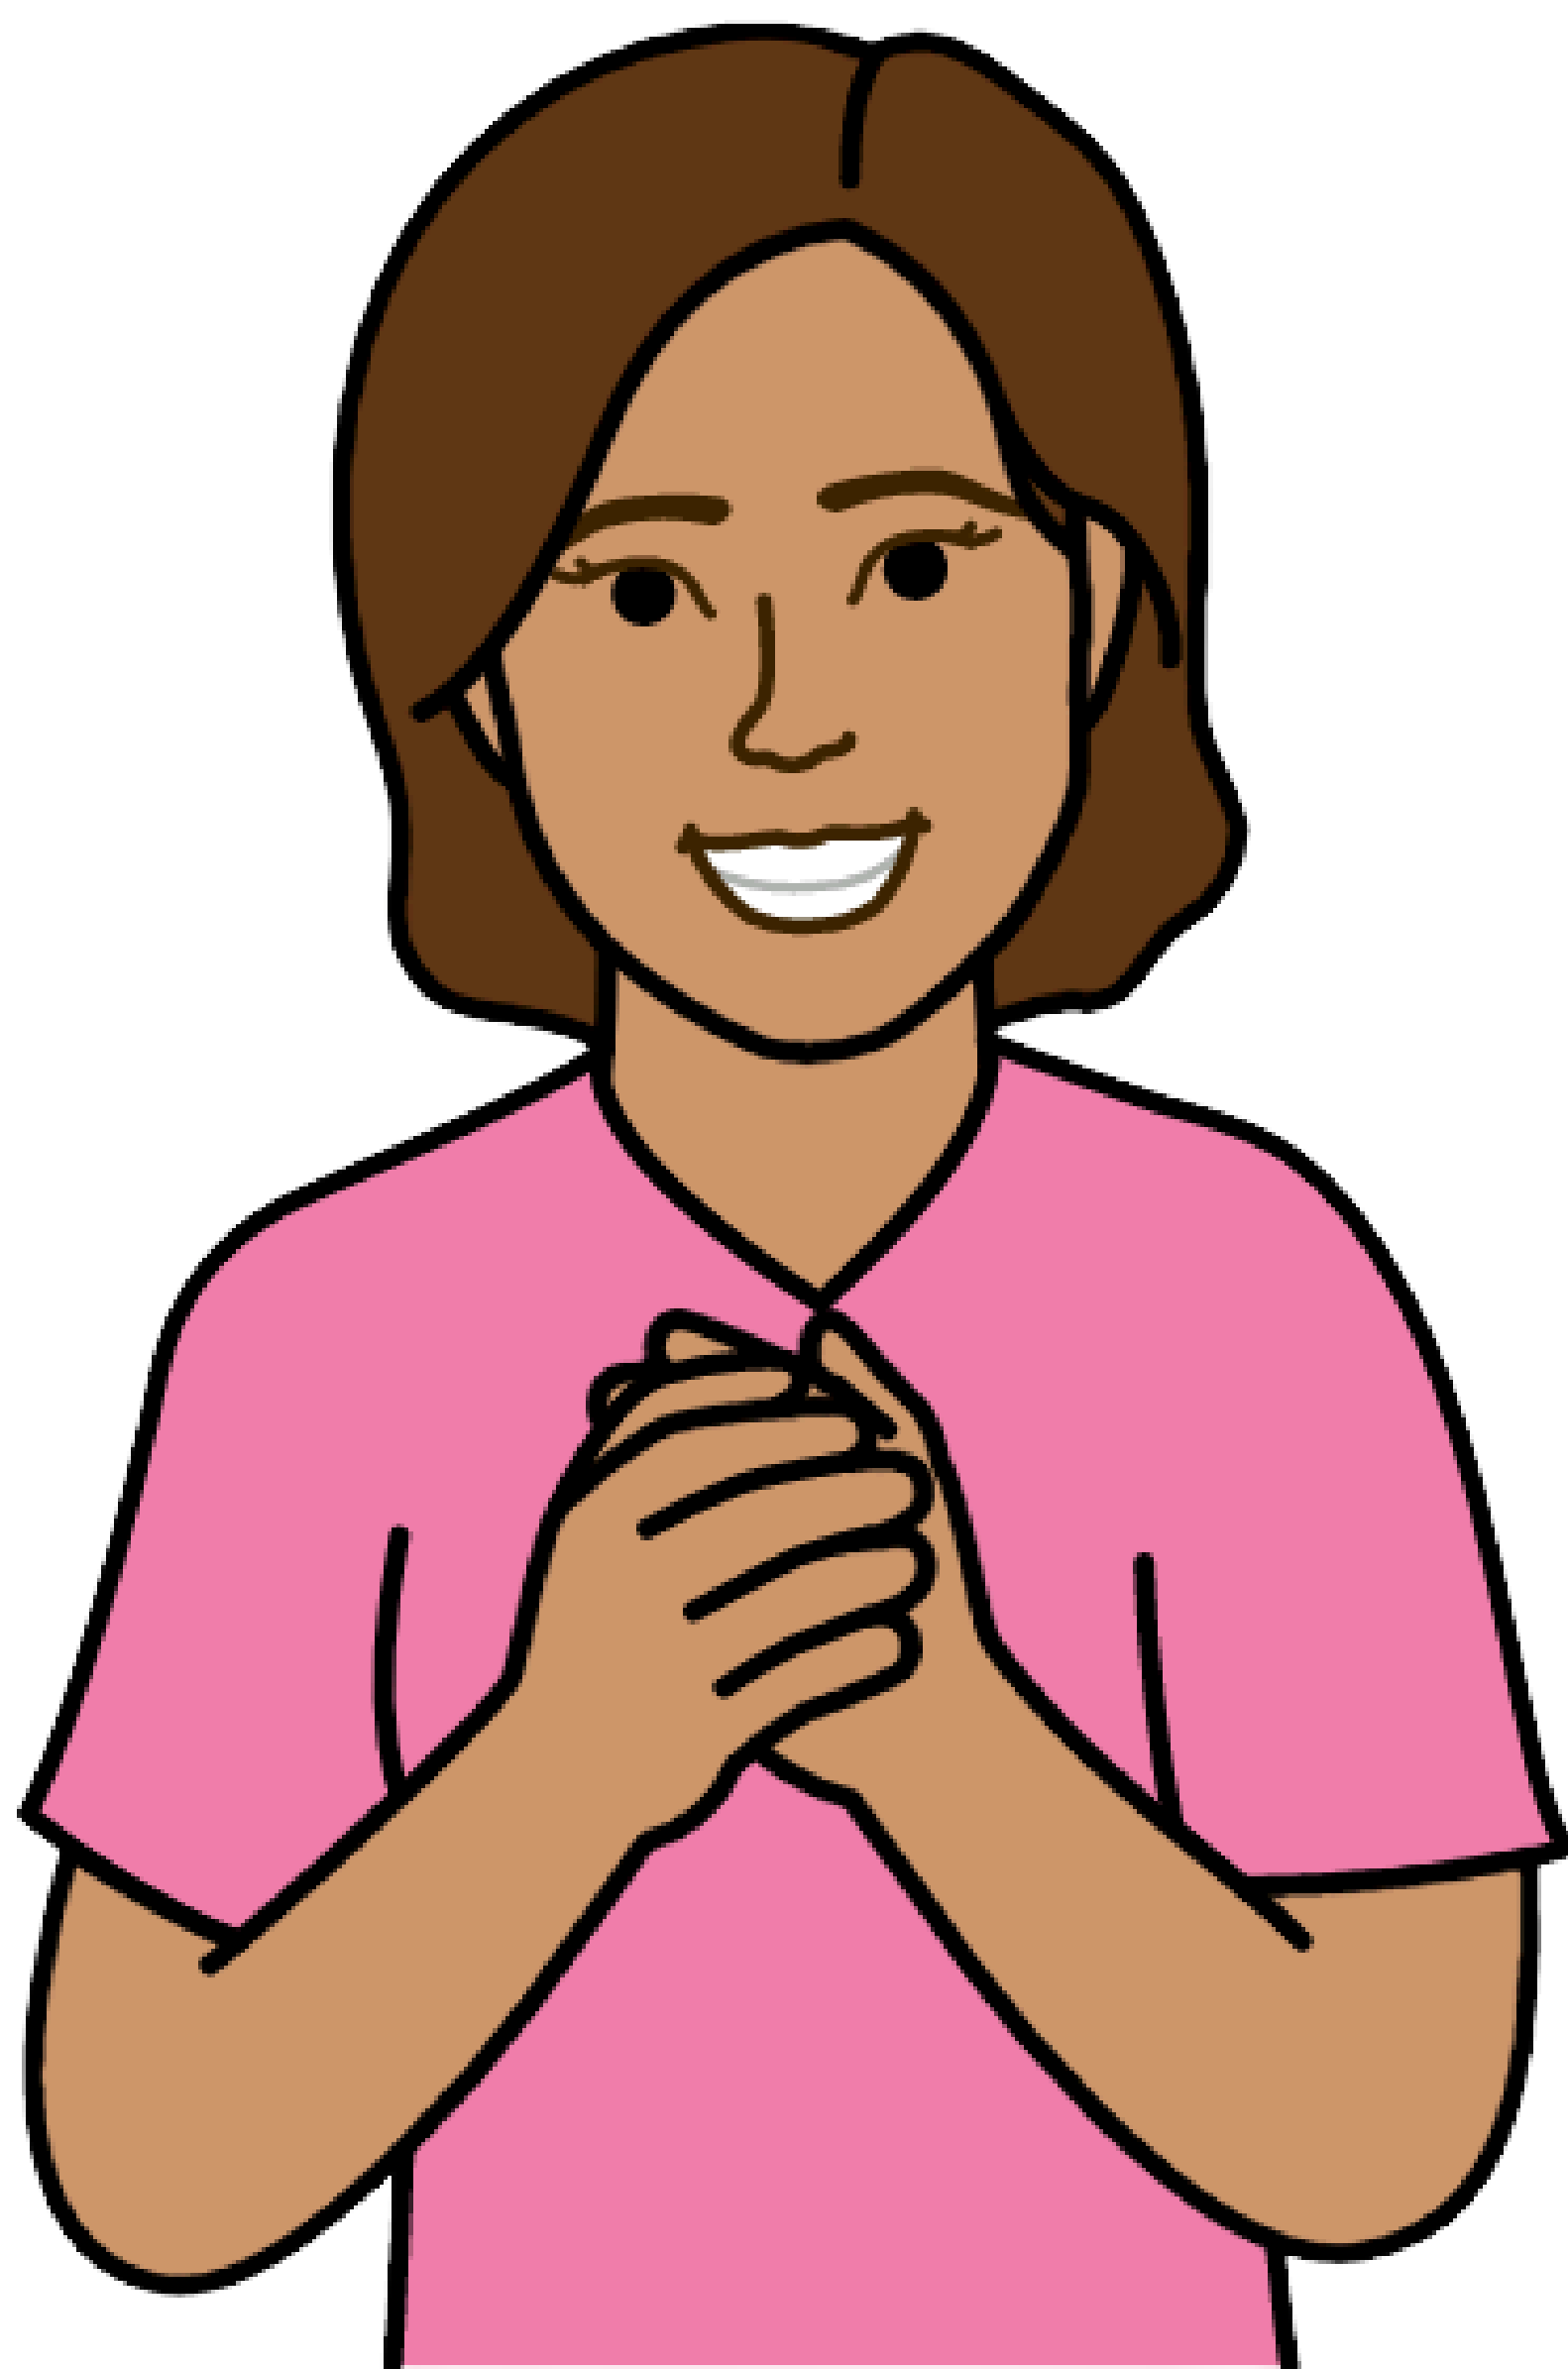

But Katy will meet her new teachers before she goes to her new school. They are excited to meet Katy and to help her learn.

**Katy will also meet friends
who are new and a bit nervous, just like her.**

**Katy might see some friends from
[SCHOOL NAME], too!**

This makes Katy a bit less scared, and a bit more excited!
